

INCREASE, INCREASE, INCREASE

Increase, Increase, Increase. It's never about 'less', but always about 'More'. It's all about Increase. Increase in Presence. Increase in Understanding. Increase in Knowledge. Increase in Revelation. Increase in the Opened Heavens over your Life. Increase in walking in the Heavenly Places. Increase in Angelic Visitations. Increase in Strategies. I am very very Rich in Increase, and all that I have is yours - all of it. I withhold NOTHING from you.

Solomon had wisdom. He had riches. In these latter days when darkness is on the increase, My light will increase all the more. For you have been seeking My face, and you will abound in My lightness - you will abound in the ALL of ME, in My UNLIMITLESS Resources.

And the MORE is RIPE to be poured out ABUNDANTLY. THIS is the season to give BIRTH, MULTIPLE BIRTHS - the birth of God's Increase on this earth, a birthing that will go into the dark places and seek out, pull out those that are hungry and thirsty for Him. In the darkest places, His Presence will shine like never before - revealing, releasing, reviving!

I have poured out to you, and you have been faithful, you have been diligent, you have been careful to wait on Me, you have been careful to give Me the glory that is due My Name. You have been faithful to walk many a dusty path; you have been faithful in decreasing that I may Increase. You have been faithful. At times it has been difficult, lonely. But you have been Faithful. Just as I am Faithful. I am faithful to you. I have heard your prayers. I have seen the many longings in your heart. I am with you. Now you will see much come to pass. You will see the answers to prayers coming swiftly, on eagles' wings. The Increase is coming. The Increase is here.

Look beyond the horizon. See them coming. Listen closely. You will hear the sound of them approaching; the quiet but sure sound of quiet - the steadfast confidence of the eagles', swiftly delivering upon my command. Multiple, Multiple, Multiple Births of Increase. More, More, More. Don't set your sight too small, be open to receive it all. Increase. Multiple Births.

The earth is groaning. Many are crying out from their hearts. Many of My children are tired and battered, weary. Many are huddling alone in dark corners. But My Increase is here. You have been Faithful to trust Me. Walk in My Increase for I am with You and My Glory is upon you. My Oil is being poured forth plentifully and it will Never Never Never run dry.
