

## ONE KINGDOM: ONE WEALTH, ONE GIFT

### *The expression of My Love*

It is all the same kingdom; it is all the same wealth – because it all came from Me, and all of it must bring Me glory. That which does not bring Me glory, I will burn, I will trample it down, I will crush it. I will destroy all in your life that does not bring Me glory. I won't only crush that which is bad and wrong; I will also take away that which I have given to you but you allow to lay dormant, refusing to honor Me with it.

The gifts I have given to My body **must work together**. They must flow as **one** big gift, as one body, in unity of purpose, to **bring glory to My Name**.

One's gift of counsel; one's gift of teaching; one's gift of music; one's gift of financial resources; one's gift of hospitality; one's gift of discernment – they are all ONE gift. They must operate together as one in My body. I do not have many bodies. I have **one** body. I do not have many families. I have **one** family. **All the gifts are the sum of ONE GIFT – THE EXPRESSION OF MY LOVE**. I have given many gifts to My children. I am your Father. I have not given you only one gift. I have given many gifts to each one of you. O, there is such an abundance of wealth (gifts, talents, resources) in My kingdom. There are many great needs, but don't you see I have given you the gifts to meet the needs - even to exceed them?

EACH prayer offered up by EACH of My children, is burned into their heart by Me. Why? So that I can move through another of My children to exercise the gift needed to answer that prayer. **I am the one who moves upon the hearts of My people – one to pray, one to heed; on the heart of one to give and the other to receive**. It is not complicated. I am the one orchestrating it all.

Don't you see the importance of obedience? Don't you see the importance of unity? Don't you see that one's gift is not more important than another? I gave the needs, as well as the talents to meet the needs. **IT IS ALL ONE KINGDOM; IT IS ALL ONE WEALTH – IT IS ALL THE SAME, operating together as ONE for My glory**.

Be careful to not esteem one's gifts greater than another's. Be careful to think you need one more than another. In My Kingdom, greatness is not found in who has the most important gift. I gave gifts to all My children. **THEY ARE ALL A GIFT OF LOVE. I LOVE YOU ALL EQUALLY**.

In My Kingdom, greatness is found in **EXERCISING** My gift given to you as an expression of My Love – **EXERCISING YOUR GIFT IS YOUR EXPRESSION OF LOVE BACK TO ME**. Don't get stuck in a rut. Let Me creatively flow through you via the gifts I have very carefully placed in you. Listen for My direction and heed it. Exercise each and every gift I have placed in each one of you, joyfully exercise it to the fullest. Remember, one's need is placed there by Me; so take the chains off My gifts in you, reach out and be blessed as you become a vessel of blessing, bringing glory and honor to Me – **as a demonstration of Our Relationship of Love**.
